

Kansas WIC Income Guidelines

For WIC income eligibility determination purposes, the Kansas WIC Program will use the Federal Poverty Guidelines. To be income eligible for WIC benefits, an economic unit (household) may earn up to and including 185% of the Federal Poverty Guidelines. Below are 2016-17 income guidelines.

Economic Unit	Annual	Monthly	Twice-Monthly	Bi-Weekly	Weekly
1	\$21,978	\$1,832	\$916	\$846	\$423
